

A diagram showing a package structure. A large light blue rectangle contains four smaller white rectangles. The first three rectangles are outlined in red and contain the text 'luset\_state\_pkg', 'luset\_control\_pkg', and 'indel\_update\_pkg' respectively. The fourth rectangle is not outlined in red and contains the text 'src'. The rectangles are arranged horizontally from left to right.

luset\_state\_pkg

luset\_control\_pkg

indel\_update\_pkg
